NEWSLETTER NO. 4

Iași, Romania
19 - 22 April 2023

Located in the northeast of Romania, Iași is well-known due to its beautiful scenery and welcoming people. It is the most important political, economic and cultural center of Moldova region, as well as one of the oldest cities in Romania. Deeply rooted in history, Iași has been the main center of Moldavian culture since the late 1300s. The city prides itself on being the place in which the first Romanian newspaper has been published and the home of the first Romanian university, as well. At the moment, it is the second largest university center in Romania and home to more than 200 schools.

DAY 1

On the 19th of April 2023, we began our LTTA by introducing the school to our guests. We continued with a painting workshop in which we transferred our project's logo to T-shirts.

We also took part in a cultural visit to different beautiful places, such as: "Alexandru I. Cuza" University, Copou Park and the Botanical Garden, where we had fun during a traditional Romanian dances workshop.

DAY 2

On the second day, we began with a drama workshop, in which the children had a lot of fun and unleashed their creativity, followed by another cultural visit, which brought us to The National Theater and The Palace of Culture.

DAY 3

The next day, we took part in a very informative series of first aid workshops at The Sanitary School "Grigore Ghica Vodă".

Following that, the participants had a pottery workshop and we finished the day with the ballet performance *Don Quixote*, which was truly an uplifting experience!

DAY 4

On the last day, we made our project's logo out of felt and customised it according to the colours on the flags of the participants' countries.

The certificate ceremony was the next point on our agenda.

Later on, we had our goodbye party at Laser Tag, where we got the chance to work on our "battle" strategies and have fun together once more.

The four days of our project's fourth mobility passed by FAST... However, it was a wonderful experience and we look forward to having the opportunity to work and have fun again as a team!
